

January 26, 2006

Dear Parent,

Today in our Thursday social awareness group we introduced a problem solving strategy called "SODA". Attached is information about the strategy and different ways to use SODA. We hope that the students will learn to use this during problematic situations. Please let us know if you have any questions or have feedback for us on how it is working or not. The SODA can is to be taped or placed somewhere as a visual reminder to help remind the person using the strategy to use it.

Thank you so much for your continued support.

Chris Clay (FSSE), Liz Stock (OT), Mandy Shearer (SLP)
