

**Game-** Print 1 copy of each board (4) (print more copies for larger groups)

Print 1 copy of icons for each board- laminate cut apart- place face down or in a container (treasure chest)

Each player takes turns drawing a card and placing it on their board- The object is to collect all pirate icons.

If a player draws the skull & crossbones they must put back all of their icons (you can adjust this to putting back 1 icon)

### Therapy ideas-

- Use he/she in sentences (he has a parrot)
- Describe each icon (a parrot has feathers)
- Use a set of articulation cards/word list and use in a sentence with the icon (for K: the parrot eats **cake**)
